

Multi San MSP

Bactericidal Food Safe Degreaser

MULTI SAN MSP APPLICATIONS

- Cleans equipment, plant, machinery, floors and walls in food production areas
- Bactericidal action ensuring a hygienically clean and food safe environment
- Suitable on the most common food poisoning bacteria
- Non tainting and fragrance free

Multi San MSP USERS

- Food production plants
- Food packaging factories
- Retailers and hospitality services
- Food producers
- Cleaning service providers
- Facilities Management services
- Mobile food units

VERSATILE

Fast and easy to use. Non-tainting and fragrance free Multi San MSP can be used with confidence in any food production area.

EFFECTIVE

Suitable for removal of daily grease, dirt and contamination and for removal of more resistant soiling and build up. Eliminates cross contamination with its' bactericidal action.

SAFETY & ENVIRONMENT

This bactericidal cleaning solution is safer than the caustic alternatives on the market. Better for your operators and better for the environment.
