Leather Plus

Neutral Leather Cleaner

Leather Plus has been specially formulated for the safe maintenance of leather upholstery. Leather Plus contains no harmful alkalis or caustics and can be used with confidence on leather and vinyl surfaces.

Leather Plus can be used neat on a damp cloth for deep cleaning or diluted with 5-10 parts warm water.

- Mild
- Cleans and reconditions
- 100% biodegradable

Applications for use

- Car and vehicle upholstery
- Salon and spa upholstery
- Food and accommodation furnishings
