## RocSol LV

### Low Hazard Graffiti Remover

RocSol was developed to replace the many hazardous graffiti removers being used for the removal of aerosol and marker pens. RocSol has a minimal odour which helps when working in smaller areas.

### RocSol Applications

- Walls and Subways
- Changing rooms
- School desks
- Memorials

### RocSol Users

- Highway maintenance
- Local Authorities
- Graffiti removal squads
- Contract cleaners
- Bus & rail companies
- Schools and Colleges
- Car Parks

engineering solutions

#### VERSATILE

Can be used on most hard surfaces including brickwork, stone, breeze block, formica, metals and tiles. Avoid Perspex, styrene and vinyl surfaces

#### ENVIRONMENT

Environmentally responsible formula helps meet government guidelines. (BEPO)

#### EFFECTIVE

RocSol is excellent for the removal of aerosol and light deposits of oil based paints. RocSol can also be used as an adhesive remover.

#### SAFETY

Developed to be user friendly; with reduced odour. RocSol helps reduce O.E.L.s

#### ADDITIONAL RESOURCES

Consult product label and material Safety Data Sheet (MSDS) for further use and information
