## Sani Clean

Sani Clean is a complete single stage cleaner which removes heavy grease, oil and fat deposits and destroys the harmful bacteria which harbour there.

Sani Clean is effective against a wide range of Gram positive and Gram negative bacteria, yeasts and fungi.

### Benefits

Quick and Easy to use - within 10 minutes Sani Clean completely destroys most organisms in heavily soiled areas

Suitable for deep cleaning and everyday use - Sani Clean can be used diluted for everyday cleaning to prevent build up of grease
