Super 5x

TFR Super Concentrate

Our laboratories have produced a TFR super concentrate which reduces costs and minimizes waste packaging. It is versatile and suitable for use in transport through to food related industries. Super 5x is caustic free and safer to use than conventional Caustic based formulas.

SUPER 5x APPLICATIONS

- Cleans vehicle chassis & engines.
- Removes road traffic film
- Breaks down fats, oils and greases
- Effectively cleans concrete

SUPER 5x USERS

- **Public transport companies**
- **Local authorities**
- **Oil production sites**
- **Transport companies**
- **Waste & land fill companies**
- **Dairies and food retailers**
- **Meat & Poultry processors**
- **Fleet hire firms**

VERSATILE

Can be used hot or cold and applied by pressure washer / steam cleaner or through a hand sprayer

EFFECTIVE

When applied super 5x will rapidly break down a variety of deposits including oils, fats and road grime

SAFETY & ENVIRONMENT

Super 5x exceeds all UK & EC biodegradability requirements.

ECONOMICAL

Super 5x can be diluted between 20 to 100 parts water.

Consult product label and material Safety Data Sheet (MSDS) for further use and information
