Valett

Foaming Upholstery Cleaner

The pH-balanced Valett formula cleans and brightens upholstery without solvents or harsh abrasives. Valett foams instantly on the sponge and removes soil without over-wetting fabrics.

Quick and easy to use by hand, Valett is suitable on a variety of stains.

Valet may be applied in hot or cold applications and exceeds all UK and EC biodegradability standards.

- Rich Lather
- Brightens & Cleans
- Economical
- 100% Biodegradable
