Pro-Clean MP

The Versatile Multi Purpose Cleaner and Deodoriser

Pro-Clean MP is an advanced, non-flammable general hard surface cleaner. Pro-Clean MP can be used to cut through grease, oil deposits, industrial and commercial PSV applications. The advanced formula provides versatility of use, either through a floor scrubber or hand sprayer.

Pro-Clean MP Applications

- Cleans and renews safety flooring
- Reduces body fats on shower surfaces
- Cleans public vehicle interiors
- Degreasing plant and equipment
- Cleans floors, walls and tiles

Pro-Clean MP Users

- Car manufacturers
- Public transport companies
- Contract cleaners
- Facilities operators
- Leisure industries

Versatile

Can be used on a wide variety of surfaces.

Effective

Pro-Clean MP's advanced formula ensures quality results when only one multi purpose product is required.

Practical

Can be applied through spray equipment, scrubber driers and used hot or cold by mop systems.

Deodorisers

Pro-Clean MP has high persistence components which encapsulate odours, leaving surfaces smelling fresh and clean.

Economy

Dilutes between 50:1 and 10:1 with water.
